Friends of Benmore Outdoor Centre

Thank you for your interest in Friends of Benmore Outdoor Centre and your application to become a member of the charity. As a member you will receive information on our activities in a regular member email and you will be able to influence the governance of the charity and its activities through consultations and attendance at General Meetings. All Individual Members aged 16 and over have voting rights at a General Meeting; as a Group Member your representative at meetings will have voting rights on behalf of your Group.

A Group might be a school or other academic institution, youth group, club or society. Please enquire to our Membership Secretary* if you wish further information.

Individual and Group membership is available. Membership is renewable on a calendar year basis and can be taken out for the following calendar year from 1st October of the preceding year (this allows those joining for the first time late in a calendar year to avoid immediate renewal).

The membership fee for an Individual Member can be treated as a charitable donation, qualifying for tax relief provided the individual is a UK taxpayer and allowing the charity to claim 25% Gift Aid from HM Revenue and Customs. Our individual membership fee is therefore set at a minimum level so that when you join, or renew, you can add a sum of money to increase your donation.

Both Individual and Group membership are £25 for the calendar year: please tick as appropriate:
Individual Group
Name of Individual or Group:
